

Instructions for Authors

Style and format

1. All manuscripts must be submitted as electronic files.
2. Submissions must follow APA style, as outlined in the Publication Manual of the American Psychological Association (6th ed.).
3. Manuscripts should be single-spaced throughout in an 11-point Times New Roman font, including quotations and references.
4. Headings should be correctly used to indicate the organisation of the manuscript.
5. Acknowledgement, if there is, should appear as a separate note at the end of your manuscript.
6. Manuscripts should be submitted with an abstract, limited to 250 words in an 11-point Times New Roman font. The abstracts should be clearly written. Avoid long complicated sentences and in-text citations.
7. Provide five keywords.

Manuscript length

1. Submissions should be between 4000 and 8000 words, including references, notes and tables.

Submitting the manuscript

1. Refer to the **INSTRUCTIONS FOR TYPESETTING MANUSCRIPTS USING MS WORD** for more details.
2. Submit your manuscript to the Editorial at borneoakademika@gmail.com
